

grants
Charter

to the

Indian Section

*for purposes of furthering the contribution of the test pilot to the
Aeronautical Endeavor.*

*Be it known by this document that the above named Section is
authorized to function as an integral part of The Society of
Experimental Test Pilots, an international organization, incorporated
under the laws of the State of California, United States of America.*

*This charter shall endure so long as the activities and operation of
the Section are in conformance with the Constitution as interpreted
by the parent governing body.*

*Done at Lancaster, California
the 22nd day of April 2021*

A circular gold seal with a serrated edge, featuring the text "SOCIETY OF EXPERIMENTAL TEST PILOTS" and "FOUNDED 1950".
