Call for Presentations

AirVenture Oshkosh is the annual convention of the [Experimental Aircraft Association](http://EAA.org). For 35+ years SETP has partnered with EAA to advance their mutual goal of education in pursuit of flight test safety. SETP members are encouraged to submit topics for presentation at AirVenture 2022. Over the years, nearly 500 SETP presentations have entertained, educated, enlightened, and inspired EAA attendees at Oshkosh. For details and to apply to be a presenter, visit eaa.org/airventure/AirVenture-Speaker-Information. On your application, please mention that you are affiliated with SETP and send the title of your presentation to SETP.oshkosh@gmail.com so we can assist with your participation. Scheduling of presentations has begun! Submit your application to EAA as soon as possible to ensure consideration of your topic and for the best chance of being scheduled for the dates and times you prefer. Applications submitted after April 30 may be accepted but are subject to available dates and times. No abstract is needed – just a brief description of your proposed presentation.

EAA Oshkosh Housing

SETP does not arrange for housing at Oshkosh. However, numerous options are available including camping on the EAA grounds, University dorm rooms, local hotels (very limited and very expensive), and private residences. For camping and lodging information and resources visit eaa.org/airventure/plan-your-eea-airventure-trip/eea-camping-and-lodging/eea-lodging, but don't delay – area lodging fills up fast!

We have not yet finalized plans for an Oshkosh SETP reception and barbeque. Details will be provided via email as soon as they are available.

Everything there is to know about AirVenture 2022 can be found at eaa.org/airventure.
